Virginia Values Veterans V3 Program

HELPING EMPLOYERS HIRE, TRAIN AND RETAIN VETERANS

Businesses often ask, “Why should I hire a Veteran?” and “Where can I find Veterans to hire?” The Virginia Values Veterans (V3) Program helps employers understand why hiring Veterans can be one of the best business decisions they make. In Virginia, Veterans are an integral solution to filling in-demand jobs and contributing to positive economic growth.

Educate – Train – Connect

The V3 Program provides education, training and connectivity resources to assist companies to recruit, hire, and retain a highly-skilled, well-educated, and easily-trained

leadership talent pool: Virginia’s Veterans. The Virginia Department of Veterans Services is fully engaged in this venture with a firm confidence that hiring Veterans is not just the right thing to do - understanding who Veterans are and hiring them will increase organizational productivity and efficiency.

Thousands of V3 Member companies have committed to hiring transitioning service members and Veterans. Companies who have completed all training requirements are recognized as official “V3-Certified Companies,” and are awarded a certificate from the Governor of Virginia.

Job Seekers

If you are a Veteran, transitioning service member or serving member of the National Guard or Reserves, and want to know how you can connect with companies that value your service and potential contributions to their company, visit www.dvsV3.com/job-seekers and contact the Virginia Values Veterans (V3) Transition Program to learn about employment opportunities.

Veteran Employment Grant

V3-certified employers may also be eligible for up to \$10,000 in grants through the V3 Program for hiring and retaining Veterans in Virginia. For more information on corporate membership in the V3 Program, grant criteria and application visit www.dvsV3.com/v3grant.

HELPING TRANSITIONING SERVICE MEMBERS AND FAMILIES

Mission:

The mission of the Virginia Values Veterans (V3) Transition Program (V3 Transition) is to assess, coordinate, and disseminate opportunities for members of the armed forces and their spouses transitioning from military to civilian life, thereby providing pathways to employment, education, and entrepreneurship.

Key Activities:

- **Peer to Peer** support to transitioning service members and their spouses through assessments, personalized career coaching, referrals, and a variety of career networking opportunities
- **Outreach** for the Commonwealth of Virginia, answering the question “Why Virginia?”
- **Partnerships** with federal, state, local, nonprofit, and employers to provide the best possible resources to our service members and spouses by certified career coaches

For more information on career coaching services or employment and transition workshops hosted by the V3 Transition team, e-mail us at v3transition@dvs.virginia.gov, call us at (804) 786-8060, or visit our website at www.dvs.virginia.gov under Veterans Education, Transition, and Employment.

HIRE VETS NOW NETWORKING AND HIRING EVENTS

Virginia’s HIRE VETS NOW brings together transitioning service members, veterans, military spouses and dedicated V3 certified businesses to share in camaraderie, professional development and career networking. Hosted by the Virginia Department of Veterans Services, Virginia Chamber of Commerce Foundation, and Transition Assistance Offices on military installations, these events offer opportunities to connect with Virginia companies looking to hire you!

For more information, please visit www.vachamber.com/hirevets.

THE VIRGINIA SKILLBRIDGE PROGRAM

The Virginia SkillBridge Program is the only state-run DoD Approved Skillbridge Program. Collaborating with Virginia Value Veterans (V3) certified companies and state agencies, the Virginia SkillBridge Program offers transitioning service members the opportunity to participate in an internship up to six months prior to separation. Through their participation, service members gain valuable real-world experience, preparing them for entry into the civilian sector.

YOUR RIGHTS UNDER USERRA

THE UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service or certain types of service in the National Disaster Medical System. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services.

REEMPLOYMENT RIGHTS

You have the right to be reemployed in your civilian job if you leave that job to perform service in the uniformed service and:

- ☆ you ensure that your employer receives advance written or verbal notice of your service;
- ☆ you have five years or less of cumulative service in the uniformed services while with that particular employer;
- ☆ you return to work or apply for reemployment in a timely manner after conclusion of service; and
- ☆ you have not been separated from service with a disqualifying discharge or under other than honorable conditions.

If you are eligible to be reemployed, you must be restored to the job and benefits you would have attained if you had not been absent due to military service or, in some cases, a comparable job.

RIGHT TO BE FREE FROM DISCRIMINATION AND RETALIATION

If you:

- ☆ are a past or present member of the uniformed service;
- ☆ have applied for membership in the uniformed service; or
- ☆ are obligated to serve in the uniformed service;

then an employer may not deny you:

- ☆ initial employment;
- ☆ reemployment;
- ☆ retention in employment;
- ☆ promotion; or
- ☆ any benefit of employment

because of this status.

In addition, an employer may not retaliate against anyone assisting in the enforcement of USERRA rights, including testifying or making a statement in connection with a proceeding under USERRA, even if that person has no service connection.

HEALTH INSURANCE PROTECTION

- ☆ If you leave your job to perform military service, you have the right to elect to continue your existing employer-based health plan coverage for you and your dependents for up to 24 months while in the military.
- ☆ Even if you don't elect to continue coverage during your military service, you have the right to be reinstated in your employer's health plan when you are reemployed, generally without any waiting periods or exclusions (e.g., pre-existing condition exclusions) except for service-connected illnesses or injuries.

ENFORCEMENT

- ☆ The U.S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.
- ☆ For assistance in filing a complaint, or for any other information on USERRA, contact VETS at **1-866-4-USA-DOL** or visit its website at <http://www.dol.gov/vets>. An interactive online USERRA Advisor can be viewed at <http://www.dol.gov/elaws/userra.htm>.
- ☆ If you file a complaint with VETS and VETS is unable to resolve it, you may request that your case be referred to the Department of Justice or the Office of Special Counsel, as applicable, for representation.
- ☆ You may also bypass the VETS process and bring a civil action against an employer for violations of USERRA.

The rights listed here may vary depending on the circumstances. The text of this notice was prepared by VETS, and may be viewed on the internet at this address: <http://www.dol.gov/vets/programs/userra/poster.htm>. Federal law requires employers to notify employees of their rights under USERRA, and employers may meet this requirement by displaying the text of this notice where they customarily place notices for employees.

Military Medics and Corpsmen Program

VETERANS AND MILITARY SPOUSES: YOUR PATH IS CLEAR TO A CIVILIAN HEALTHCARE CAREER

How can the Military Medics and Corpsmen (MMAC) Program help you? Easy. Give us your employment and education goals. We'll put you on the path to reach them. Looking to continue in patient care? Perhaps a non-clinical career that matches your military training and experience? Maybe a leadership role? Are you a Military Spouse seeking a position in Virginia's healthcare system? Whatever path you choose . . . we'll clear it for you.

Path One: MMAC Qualified

Are you a veteran or transitioning Medic, Corpsman, or Medical Technician with less than 12 months since you practiced hands-on clinical care? You may be MMAC Qualified. Only in Virginia you can continue to practice your clinical skills without the required civilian healthcare credentials – while in school to get those credentials. Keep skills sharp and credentialing on track with MMAC.

Path Two: No Veteran Left Behind

From HR to the ER or from PT to IT or engineering, healthcare needs people now with clinical and non-clinical military training and experience. Ever thought of a non-clinical role in HR, logistics or HVAC? We can help. Next to a patient, behind a desk, or on a ladder, we'll help find your place in healthcare.

Path Three: Healthcare Leadership

Hospitals are like military installations. They need experienced leaders to keep things running efficiently and effectively. Are you that leader? From leading a practice or program, to managing safety, supply chain, infrastructure or information technology – if you are management material we'll help find your fit.

Path Four: Military Spouses

As a Military Spouse looking to start or continue a career in Virginia's healthcare system, you've come to the right place. We are advocates, an employment resource, and a source of credentialing information. MMAC sets you up for success and potential employment at MMAC Partner Healthcare Systems and Virginia Values Veterans Certified Healthcare Employers statewide. Spouses serve too. Let MMAC serve you.

What We Do At MMAC:

The MMAC team recruits, reviews and refers candidates to healthcare employers statewide. The hiring decisions and scope of practice are up to the employers. While we don't provide licensure and certification or direct financial assistance – we do clear the path for your next mission: being part of Virginia's civilian healthcare team. Whatever your role – we've got your route.

HIRING PREFERENCE IN STATE GOVERNMENT

The Commonwealth of Virginia and Virginia localities give preference to honorably discharged veterans of the armed forces of the United States in its employment hiring policies and practices, provided that such veteran meets all of the knowledge, skills and eligibility requirements for the available position. Additional consideration is also given to veterans who have a service connected disability rating fixed by the U.S. Department of Veterans Affairs. The Commonwealth of Virginia extends its veterans hiring preference to active members of the Virginia National Guard as well. The surviving spouse and dependents of service members killed in action are also entitled to the hiring preference.

Furthermore, veterans who are disabled, who served on active duty in the Armed Forces during certain specified time periods or in military campaigns are entitled to preference over others in hiring for virtually all federal government jobs.

CONNECTING VETERANS TO EARNED BENEFITS

The Virginia Department of Veterans Services advocates for Virginia veterans and connects them to benefits and services they have earned. Information on current federal, state and local veterans' programs, entitlements and referral services are available in Virginia through a network of 37 benefit service offices (www.dvs.virginia.gov/benefits). All services are provided free of charge. For additional information visit www.dvs.virginia.gov/benefits or one of the offices on the following page.

Eligibility for most federal and state benefits is based on discharge from active military service under other than dishonorable conditions. Active service means full-time service as a member of the Army, Navy, Air Force, Marine Corps, Coast Guard, the United States Space Force, or as a commissioned officer of the public health service, the Environmental Services Administration, or the National Oceanic and Atmospheric Administration. Current and former members of the Selected Reserve and National Guard may be eligible for certain benefits, such as home loan guaranties and education, if they meet time-in-service and other criteria.

The eligibility policy is set by the U.S. Department of Veterans Affairs. To determine potential eligibility for such benefits go to <http://www.benefits.va.gov/BENEFITS/Applying.asp> or visit one of the offices listed on the following page.

VVFS proudly serves Virginia veterans of any era, members of the Armed Forces, National Guard and Reserves not in active federal service, and their families.

VVFS provides peer and family support and comprehensive care coordination services including:

- Specialized outreach and assistance to vulnerable veterans, including at risk or homeless veterans and veterans involved in the criminal justice system.

VVFS also has a new sub program known as the Suicide Prevention and Opioid Addiction Services (SOS) Program. SOS aims to enhance understanding of suicide prevention and opioid addiction among Service Members, Veterans, and their Families (SMVF) and build community support capacity to ensure the RIGHT HELP is widely available RIGHT NOW to military-connected citizens and families. DISABLED VETERAN AND SURVIVING SPOUSE REAL ESTATE TAX EXEMPTIONS

Veterans rated by the U.S. Department of Veterans Affairs (VA) as having a 100%, permanent and total, service-connected disability or who have a service-connected individual unemployable disability rating are exempt from paying real estate taxes on their primary residence. The exemption is based on the veteran's disability rating rather than the level of compensation. The exemption includes property held jointly by a husband and wife, and applies to the residence and up to one acre of land.

The surviving spouse of an eligible veteran who was receiving the tax exemption may continue to receive the real estate tax exemption. The spouse will lose the exemption if he or she remarries or does not occupy the property as his or her primary residence.

Exemption Eligibility for the Surviving Spouse of a member of the U.S. armed forces who was killed in action

The surviving spouse of any member of the armed forces of the United States who was killed in action, as determined by the U.S. Department of Defense, and who occupies the real property as his or her principal place of residence, are exempt from paying real estate taxes. For purposes of this exemption, the determination of "killed in action" includes a determination by the U.S. Department of Defense of "died of wounds received in action."

To learn more about these exemptions contact the Commissioner of the Revenue for your locality. Contact information may be found at www.vacomrev.com/who-we-are/districts-localities

The Virginia War Memorial Foundation

The Virginia War Memorial Foundation supports the education, preservation, and veteran outreach programs hosted by the Virginia War Memorial in a public-private partnership.

The Foundation's overarching mission is to honor veterans. To do so, we preserve their stories, primarily through the award-winning documentary series, *Virginians at War*, which features oral histories from veterans and civilians set against the backdrop of the historical record. Our education programs, including free education for history educators and livestream classes, provide context for our Commonwealth's military history in war and peacetime. Throughout the year, Foundation and Memorial staff collaborate to host creative programming for veterans across the state of Virginia, most notably the Mighty Pen Project, a free college-level writing class for Virginia Veterans.
